Dear Belinda,

We would like to thank you, Top Dogs, and all the volunteer handlers and very special therapy dogs for visiting our school this year.

The learners are mesmerised by the dogs whenever they are here, and it has been wonderful to see them interact with them, and give them love. It has also been very special for us to see some of our more nervous learners become desensitised and less uneasy around the dogs with each visit.

This experience has enriched both our curriculum as well as the learners' lives, and we are so excited about continuing our relationship with all of you. We greatly appreciate the time you all give up to spend with us and the amazing opportunity you have afforded our learners.

We wish you all a safe and joyous festive season and we are excited to see you all next year!

Kind regards,

Jenny Drew
